

# 2025 Insurance Network Changes

Effective 2025, Heartland Dermatology **WILL NOT ACCEPT** the following health care plans:

- Sunflower State Health Plan (Medicaid)
- Aetna Better Health (Medicaid)
  - Ambetter Health
  - Wellcare by Allwell
  - Allwell by Sunflower

If you enroll in a plan we do NOT accept, we would still be happy to see you; however, ***your visits will be processed as self-pay***. In that case, we kindly ask that you pay a minimum of \$50 at check-in to proceed with your appointment. This will act as a deposit to be applied to the balance incurred from the visit, with the remaining amount due in 30 days. However, if you elect to pay in full at the time of service, we offer a 35% discount.

As a friendly reminder, **open enrollment for the 2025 Benefit Year for certain government programs is between November 1st, and December 7th, 2024**. Please go to [www.healthcare.gov](https://www.healthcare.gov) to research the best plan for you and your family and complete the enrollment process.

Thank you for choosing Heartland Dermatology for your care. We look forward to continuing to serve you in the new year!
